

## 1- what is call ?

CALL = Computer Assisted/Aided Language Learning.

## 2- How CALL can be evaluated ?

According to Chapelle Call evaluation should be carried out using the second language acquisition SLA , her scheme has two stages : judgmental and empirical

## 3- What is your assessment of UUEG? Do you think it is good software ?

UUEG: Using & Understanding English Grammar. Using this program in class will help to break the traditional dull ways of teaching grammar.

## 4- What is judgmental Evaluation ?

Evaluation is a matter of judging the fitness of something for a particular purpose" (Hutchinson and Waters 1989: 96). 'Evaluation' therefore implies an activity where something is declared suitable

## 5- What is empirical evaluation ?

Generally require much more work and for the materials ,and for the materials to have been used for some time by learner /in actual classes

## 6- List the important points of Chapelle 2001 scheme ?

During the speaking task the focus is entirely on the contract forms . in the listening and reading tasks learners are tested on their comprehension of both the dialogue and text respectively with a moderate focus on the forms .Chappelle . suggest some conditions which might characterize a task that draws learners attention to the form . I will focus on two them namely modified interaction and modified input

## 7- List the important points of Chapelle 2001 scheme ?

Chappelle (1998) suggests this to be a key element in developing a CALL task. The reading exercise provides a prime example of this theory, as meaning is expected to be broken down when students are shown the hyperlinked words. These students were expected to obtain help by clicking on each word to get its meaning
