A Day in Oak Street Park  
Francisco Garcia

There are many interesting places in my neighborhood. One place is Oak Street Park. I am at Oak Street Park right now. It's my favorite place. It's 1:00 on Saturday afternoon. I am sitting on a bench and writing in my journal. Today is a beautiful day. It's really sunny and hot. The sky is clear and bright. The air smells fresh and sweet.

The park is very crowded. Some people are young, and some people are old. Some people are tall, and some are short. Some people have long, straight hair. Some people have short, curly hair. One old man has no hair! He is sitting in front of the park gate. A tall woman is standing beside him. She has blonde hair and blue eyes. They are talking and laughing loudly. (cont.)

There are a lot of things happening around me. Many people are exercising. They're walking quickly or riding their bikes. There is a food stand to the right of the entrance. A few people are eating lunch next to it. There is a handsome man to the left of the entrance. He is painting a picture very carefully. Across from me, a young girl is playing under a tree. Her brother is playing with her, too. They're running and jumping happily. Their mother is sitting behind them. She is watching them quietly. Everyone is having fun.
