

طبعاً ما في شي جديد بالمحاضره لاني انا دمجت المحاضره الاولى مع الثانيه بس هذا تذكير بسيط وسريع عليها

Negative in simple present :

I , we , you and they

Don't + verb

e.g. / I work at the hospital .

I don't work at the hospital .

She , he and it

Doesn't + verb in the base form

e.g. / He drives very fast .

Questions in simple present :

Do I , we , you and they + verb ?

e.g. / Do you work at the hospital ?

yes , I do .

Does She , he and it + verb in the base form ?

e.g. / does he drive very fast ?

No , he doesn't .

بالنسبه للـ wh Q

What do you do ?

do نستخدمها مع (they – you – we – I)

Where does she go ?

does نستخدمها مع (she – he – it) واهم شي بعد انه لازم ننتبه للفعل لازم يرجع لاصله بدون أي اضافات
