Culture Note

North America has many large, beautiful national parks. It is illegal to leave garbage in a park. It is also illegal to take plants or animals out of a park. Parks and camping areas always have rangers. Their job is to protect the parks and help park visitors.

8 Role-Play Discuss the following questions.

1. What does the sign in the photo mean? Why do you think camping areas and parks have signs like this?
2. Does your country have strong laws against littering (throwing paper and garbage on the ground or street)? Why do you think some countries have strong laws against littering? How does litter affect the environment?

▲ A common sign in U.S. parks

Look at the pictures and read the description of the situation. In groups of three (George, Lou, and Rick), role-play the situation. The following expressions may help you express your ideas:

Explaining Rules

You need to . . .	It's against the rules to . . .
You shouldn't . . .	You're not allowed to . . .

George and Lou are brothers. They have just spent a wonderful weekend camping. Now they're getting ready to leave, but they are leaving their campsite dirty and full of trash. Rick is a park ranger. He stops the brothers to explain their responsibilities and to ask them to clean up. Make up your own ending.

Focus on Testing

Using Context Clues
Many tests such as the TOEFL® iBT measure your academic listening and speaking abilities. This activity, and others in the book, will develop your social and academic communication abilities, and provide a foundation for success on a variety of standardized tests. You are going to hear five conversations about seasons. As you listen to each conversation, write winter, spring, summer, or fall in the **Seasons** column. After each conversation, stop the recording and write the words that helped you choose the season. Compare your answers and clues with a partner.

Seasons	Clues
1. fall	cold leaves brown rain
2. winter	freezing low 30's
3. spring	trees, flowers leaves coming back snow gone
4. summer	hot humidity air conditioning
5. summer	doing nothing back red, sunburned

هنا من المقطع الصوتي نستنتج عن أي فصل من فصول السنة يتحدث القارئ

مثلا الخانة الأولى ذكر أن من صفات الفصل أنه بارد ويترك النباتات بنية اللون ويهطل فيه المطر

ربما نقول أن الشتاء بارد ويهطل فيه المطر ولكل هنا ذكر ميزه مهمه وهو أنه يترك النباتات بنية اللون إذا الجواب

الصحيح هو الخريف fall
