Exercise 1 page 35:

We live in an ordinary house and I think it is terrific! Our house is now 30 years old, but it looks newer. My house is like hundreds of other houses in the suburbs, one story with an attached garage. There is nothing special about the house, and it won't win any prizes for architecture, but it's perfect for our family. The kitchen is big and has new appliances, including a beautiful new dishwasher and a microwave oven. I don't like the heat, but we have air conditioning in the living room and bedrooms, so it is always cool. For the kids there's a nice yard where they can play. It's very safe, so my wife and I don't have to worry. I am very thankful that we can afford this house and live our ordinary lives there.

One summer weekend, some friends and I decided to walk to a waterfall we had heard about. Since it was too far to walk along the road, we followed a railroad line. We had walked five or six miles when we came to a high rock wall where the tracks entered a tunnel. This tunnel didn't look very long, but it was very narrow. We knew it would be dangerous if a train came because there would be no safe place for us to go. However, we couldn't climb the rocks or walk around them, and no one wanted to go back. Finally, we decided to go through the tunnel. I knew it was foolish, but I went because the others did.

As we entered the tunnel, we saw that it was longer and darker than we had thought. Suddenly, everyone was frightened and we all began to run. " This is crazy!" I thought. As we ran faster, it got lighter in the tunnel. Once we were outside, we fell on the ground gasping. About a minute later, a train came through. That was when I finally realized the importance of thinking for myself.

كما دخلنا في نفق، رأينا أنه كان أطول وأكثر قتامة مما كنا نعتقد. فجأة، كان خائفا الجميع وبدأنا كل لتشغيل. "هذا جنون" أفكرت. ونحن ركض أسرع، وانها حصلت على أخف وزنا في النفق. ذات مرة كنا في الخارج، وانخفض نحن على الارض يلهث. حوالي دقيقة واحدة في وقت لاحق، جاء قطار من خلال. وكان ذلك عندما أدركت أخيرا على أهمية التفكير لنفسى.
